To the Honorable, the Common Council:

Gentlemen — Your Committee of the Whole referred to this office for investigation and report the petition of the Augustana Evangelical Lutheran Church of Detroit, et al (No. 6440), requesting the vacation of the 20-foot east-west alley south of Curtis Avenue and east of Tracey Avenue. The vacation of this alley was approved by the City Plan Commission in their communication to your Honorable Body of October 13, 1949.

Please be advised that all of our investigations have been completed.

As per our directive, on January 20, 1950 the petitioners deposited into the City Treasury the sum of \$58.20, Receipt No. 44929, credited to Public Works Maintenance Fund Code No. 143-6221-1, to reimburse the City of Detroit for the original cost of paving the east ½ of Tracey Avenue at the intersection of the alley to be vacated.

On January 20, 1950 the petitioners also deposited with the Permit Division of the Department of Public Works the sum of \$278.10, Receipt No. 3505, said amount being the estimated cost of removing the paved return at the entrance to the alley to be vacated and the reconstruction of curbing and sidewalks incidental thereto.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alley.

We recommend the adoption of the attached resolution.

Respectfully submitted,
CARL D. WARNER,
Commissioner.
