#### Department of Public Works

January 19, 1950

To the Honorable, the Common Council:

Gentlemen—We are returning herewith the petition of Percy H. Harow, et al (No. 7420) requesting the conversion to an easement of the alley in block bounded by Stansbury, Lesure, Chippewa and Norfolk Avenues, which petition was referred to this office by your Committee of the Whole for investigation and report.

The vacation of this alley was previously approved and recommended by the City Plan Commission in their communication to your Honorable Body of October 19, 1949.

We wish to advise that all of our investigations have been completed. In reply to our inquiries, all City departments and private utility companies reported that they will be unaffected by the proposed change, or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

The conversion of this alley into an easement conforms with Common Council resolution of November 13, 1945, J. C. C. Page 2230.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,

CARL D. WARNER,  
Commissioner.
