To the Honorable, the Common Council:

Gentlemen—In response to the request from the Committee of the Whole of the Common Council, we submit herewith a statement of our policy relative to the granting of leaves of absence to members of the Police Department to attend training camps, cruises, etc.:

1. Members may attend during regular furlough periods, when such furlough falls within the period for military training.

2. Commanding Officers will permit exchanges of furlough periods among members to permit officers having reserve status to attend military training courses, provided such exchanges are made on a voluntary basis.

3. Members may make requests for leave of absence, (not furlough) to attend military training. Such requests may be granted or not, depending upon the operating needs of the Department during the period of absence. This is in accordance with Paragraph 2 of Common Council Resolution dated January 27, 1950, pertaining to leaves of absence for the purpose of military training in 1950.

A survey completed a year ago revealed that 233 members of the Department were in a reserve status in all of the branches of the military service.

Respectfully submitted,
EDWIN MORGAN,
Superintendent.
