Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the request of the Department of Parks and Recreation for the vacation of a portion of the alley south of Grayton Avenue between Rossiter and Lakepointe Avenues, within the limits of a playground site. The vacation of said alley was approved by the City Plan Commission with the recommendation that a turn-around be provided at the south end of the vacated alley to eliminate a dead-end condition.

Our investigations are completed and they disclose that only the Department of Public Works is affected by said vacation. A proper provision is incorporated into the vacating resolution protecting this department's interests in the sewer located in the alley to be vacated. The resolution also provides for the allocation of land for turn-around purposes as per City Plan Commission's recommendation.

We recommend the adoption of the attached resolution.

Respectfully submitted,

CARL D. WARNER,
Commissioner.

By Councilman Garlick:
