

torium, I feel that it would be a waste of money to make a permanent installation.

May I therefore respectfully request that overhead wiring on poles for flood-lighting the area be granted and would recommend that the Public Lighting Commission be authorized to grant a permit for this installation.

Respectfully submitted,
CARL D. WARNER,
Commissioner.

By Councilman Van Antwerp:

Resolved, That the Public Lighting Commission be and is hereby authorized and directed to issue permit for overhead wiring on poles for flood-lighting temporary parking lot lying west of the Veterans Memorial Building, on Shelby Street south of Woodbridge.

Adopted as follows:

Yeas—Councilmen Beck, Connor, Garlick, Kronk, Oakman, Rogell, Smith, Van Antwerp, and the President—9.

Department of Public Works

October 15, 1951.

Honorable Common Council:

Gentlemen—The petition of Joseph M. Lipinski, et al (No. 3061), Carl Van Mechelen, et al (No. 6405), Elizabeth F. Eberle, et al (No. 6625), Charles J. Harmon, et al (No. 6627), and Charles M. Canvasser, et al (No. 6722), requesting the conversion into easements of the alleys at the various locations described in the attached resolution, were referred to this office by your Committee of the Whole for investigation and report and are returned herewith.

The conversion of said alleys into easements was approved by the City Plan Commission at an earlier date.

We wish to advise that our investigations are completed. In reply to our inquiries, all City Departments and privately owned utility companies reported that they will be unaffected by the changes or that they have no objection to the conversion of the alleys into easements provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in the alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,
CARL D. WARNER,
Commissioner.
