Honorable Common Council:  
Gentlemen—We have on file a petition to pave Whitcomb from McNichols to Outer Drive with signatures of 22 out of a possible 24 lot owners on the west side of the street.

The entire east side is owned by an institution that is not interested in this project.

Since it is desirable that the petitioners have a paved street, we recommend the forced paving of Whitcomb from McNichols to Outer Drive.

Respectfully submitted,

Commissioner.

Honorable Common Council:  
Gentlemen—The City Clerk referred to this office a supplemental petition of the Calumet and Hecla Consolidated Copper Company, (Petition No. 3502), in which the petitioners state that the resolution of April 10, 1951, whereby a portion of Bank Street was vacated, does not cover the vacation of an additional 1.63 foot strip of Bank Street which it was the intent to include in the vacation but which was overlooked.

An investigation discloses that the petitioner's statement is correct. To correct the error, we are submitting a new resolution for your Honorable Body's adoption, at the same time rescinding the resolution of April 10, 1951.

Respectfully submitted,

CARL D. WARNER,  
Commissioner.
