#### Department of Public Works

June 30, 1952.

Honorable Common Council:

Gentlemen—The petitions of Leo J. Contway, et al (No. 9), Harold W. Oehmke, et al (No. 895), Hans Engels, et al (No. 1065), David Glanzrock, et al (No. 1067), William Heather, et al (No. 1219), Gordon R. Smith, et al (No. 1222), Walton A. Lewis, et al (No. 1371), Harold J. McNeilly, et al (No. 5983), Richard Rapp, et al (No. 6484), Gerald J. Sucher, et al (No. 8551), and S. L. Minkley, et al (No. 6082), requesting the conversions into easements of the alleys at the various locations described in the attached resolutions, were referred to this office by your Committee of the Whole for investigation and report and are returned herewith.

The conversion of said alleys into easements was approved by the City Plan Commission at an earlier date.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by the changes or that they have no objection to the conversion of the alleys into easements provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in the alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,

CARL D. WARNER,  
Commissioner.
