Department of Public Works
 September 29, 1952.

Honorable Common Council:
 Gentlemen—The petition of Harry
 J. Gunsberg, et al (No. 1817) and A.
 A. Acciaioli, et al (No. 8746), re-
 questing the conversions into ease-
 ments of the alleys at the various lo-
 cations described in the attached
 resolution, were referred to this of-
 fice by your Committee of the Whole
 for investigation and report and are
 returned herewith.

The conversion of said alleys into
 easements was approved by the City
 Plan Commission at an earlier date.

We wish to advise that our inves-
 tigation is completed. In reply to
 our inquiries, all City departments
 and privately owned utility compan-
 ies reported that they will be un-
 affected by the changes or that they
 have no objection to the conversion
 of the alleys into easements provided
 that proper provisions are incorpor-
 ated into the vacating resolution
 protecting their interests in the in-
 stallations located in the alleys.

We recommend the adoption of
 the attached resolution.

Respectfully submitted,
 CARL D. WARNER,
 Commissioner.
