Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the petition of Roy S. Landeryou, et al (No. 5918), requesting the vacation of certain alleys in the block bounded by Beaverland, Bramell, Tireman and Belton Avenues. The petitioners are the owners of 95.9 per cent of the property abutting the alleys to be vacated.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by the conversion of said alleys into easements.

The recommendation of the City Plan Commission discloses that the owners of lots 1368 and 1369 located on the west side of Bramell Avenue, between Tireman and Belton Avenues, object to the vacation of the alley and its conversion into an easement on the ground that their two car garage has both front and rear doors and that they maintain it is their prerogative to enter by way of their side drive and to leave by way of the alley.

A resolution converting said alley into an easement is attached hereto for your Honorable Body's adoption.

Respectfully submitted,  
CARL D. WARNER,  
Commissioner.

By Councilman Rogell:

Resolved, That all of north-south public alley, 18 ft. wide, in block bounded by Beaverland, Bramell, Tireman and Belton Avenues, as platted in Rouge Park Subdivision No. 2 as recorded in Liber 62, page 70 of plats, Wayne County Records, lying east of and adjoining the east line of lots 1344 to 1364, both inclusive, and west of and adjoining the west line of lots 1365 to 1385, both inclusive, of last mentioned subdivision; Also, all that part of east-west public alley, 20 ft. wide, north of Tireman Avenue and east of Beaverland Avenue as platted in said Rouge Park Subdivision No. 2 lying south of and adjoining the south line of lot 1344 and north of and adjoining the north line of lots 1263 to 1269, both inclusive, of last mentioned subdivision, be and the same are vacated as public alleys and are hereby converted into public easements of the full width of the alleys, which easements shall be subject to the following covenants, agreements, uses, reservations and regulations which shall be observed by the owners of the lots abutting on said alleys, and by their grantees and assigns, and their heirs, executors, administrators and assigns forever, to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys, hereinabove described, for the purpose of installing, maintaining, repairing, removing or replacing any sewer, conduit, telephone, telegraph, electric light or other poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purposes above set forth;

Second, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever (except necessary line fences) shall be built or placed upon said easements, unless permission therefor is obtained from the City Engineer;

Third, that if at any time in the future the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners upon whose property the poles or other utilities are located shall pay all costs incident to such removal and/or relocation, unless such charges are waived by the utility owners.

Approved as to form only:

PAUL T. DWYER,

Acting Corporation Counsel.
