Honorable Common Council:

Gentlemen—We are returning herewith the petition of Harry Slatkin Builders Inc., requesting the vacation of Ohio, St. Martins and Mt. Sinai Avenues in the area north of Outer Drive and east of Wyoming Avenues. The vacation of said streets was requested in connection with the petitioner's new plat entitled Sherwood Heights Subdivision. The vacation of said streets was approved by the City Plan Commission and the petition was referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed. In reply to our inquiries all City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said streets.

We recommend the adoption of the attached resolution.

Respectfully submitted,
