

July 13

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Acting Commissioner.

By Councilman Van Antwerp:

Resolved, That permission be and the same is hereby given to the owners of lot 367 of B. E. Taylor's South-lawn Subdivision, located on the south side of Beechdale Avenue between Griggs and Mendota Avenues to maintain a garage over the north three feet of the easement in the rear of said lot, subject to the following provisions:

1) That no right in the public easement shall be considered waived by this permission which is granted expressly on the condition that the garage and all obstructions in connection therewith shall be removed at the expense of the grantees at any time when so directed by the Common Council, and further,

2) If at any time in the future it becomes necessary to repair or replace the sewers, poles or lines located or to be located in said easement, by the acceptance of this permission, the owners for themselves, their heirs and assigns waive claims for any damages to the garage and agree to pay the costs incurred in its removal, if its removal becomes necessary, and to restore the property affected to a condition satisfactory to the Department of Public Works at the owner's expense, and further,

3) This resolution is revocable at the will, whim and caprice of the Common Council, and the grantees by the acceptance of this permission, waive any right to claim damages or compensation for any buildings constructed and maintained hereunder, or for the removal of the same, and they acquire no implied nor any other privileges not expressly stated herein.

Adopted as follows:

Yeas—Councilmen Beck, Connor, Rogell, Smith, Van Antwerp, Wise, Youngblood, and President Miriani—8.

Nays—None.

Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the petition of St. Mary of Redford Parish (1557), requesting the vacation of Archdale Avenue, south of Glendale Avenue and the north-south alley first east and west thereof. The City Plan Commission approved the vacation of said portions of street and alleys in its communication to your Honorable Body of July 7, 1954.

We wish to advise that our investigations are completed.

As per our directive on July 13,

1954, the petitioner paid into the City Treasury the sum of \$634.09, Receipt No. B-2559, credited to Public Works Maintenance Fund Code No. 143-6221-1, to reimburse the City of Detroit for the original cost of paving the south ½ of Glendale Avenue at the intersection of Archdale Avenue to be vacated.

On July 13, 1954, the petitioner deposited into the City Treasury the sum of \$750.00, Receipt No. B-2558, credited to the Department of Water Supply, Fund Code No. 601-9300-0-6290-608, said amount being the estimated cost of constructing blow-off assembly, necessitated by the vacation of said street.

The petitioner on July 13, 1954, also deposited with the Permit Division of the Department of Public Works the sum of \$1,200.00, Receipt No. 57026, said amount being the estimated cost of removing existing return and installing sidewalks and curbs at the portions of street and alleys to be vacated.

In reply to our inquiries all other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of street and alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein. The Michigan Bell Telephone Company is still negotiating with the petitioner for certain rights-of-way but expressed themselves that talks to date indicate an intent to grant them the necessary rights-of-way by the petitioner.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,

Acting Commissioner.

By Councilman Van Antwerp:
