Department of Public Works

September 20, 1954.

Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the petition of the Board of Education, No. 1618, requesting the vacation of a portion of the north-south alley in the block bounded by 24th Street, 25th Street, Bagley Avenue, and Porter Avenue, within the limits of a school site. The vacation of said alley was approved by the City Plan Commission, with the recommendation that an alley outlet be provided at the north end of the vacated alley to eliminate a dead-end condition.

We wish to advise that our investigations are completed.

As per our request, a purchase order (No. 57557) was issued by the Board of Education in favor of the Department of Public Works in the amount of \$1,300.00 to cover the cost of stoning the new alley and constructing a paved return at the entrance thereto.

A proper provision is incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

We are in receipt of a Quit Claim Deed to land to be used for alley purposes in accordance with the City Plan Commission's recommendation. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer, and it is attached hereto for your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

S. G. GENTILE,

Acting Commissioner.
