Honorable Common Council:

Gentlemen—The petition of the McLouth Street Corporation, et al (No. 6495), requesting the vacation of certain alleys, north of South Street, between Reid and Crawford Avenues, was referred to this office by your Committee of the Whole for investigation and report. The vacation of said alleys was approved by the City Plan Commission with the recommendation that the petitioner deed to the City an alley outlet in lieu of the alleys to be vacated.

We wish to advise that our investigations are completed.

As per our directive, on February 12, 1954, the petitioner deposited with the Permit Division of the Department of Public Works the sum of

\$950.00. Receipt No. 52845, said amount being estimated cost of constructing alley return, at the newly deeded alley.

A proper provision is incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

We are in receipt of a Quit Claim deed to land to be used for alley purposes in accordance with the City Plan Commission's recommendation. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and it is attached hereto for your Honorable Body's acceptance.

In reply to our inquiries all other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
CARL D. WARNER,
Commissioner.
