Honorable Common Council:

Re: Contract PW-2140. For Public Sewer 6865 in St. Jean from Warren to 700 feet north. Adjusted contract price: \$17,-375.67. Contractor: North East Construction Co.

July 20, 1955.

Honorable Common Council:

Gentlemen—We have petitions on file for Glendale Avenue, from Burt to Evergreen, and Curtis Avenue from Coyle to Lauder, neither of which petition is a full 50 per cent.

Glendale is a side street upon which there is considerable industrial traffic at the westerly end but where several vacant lots, toward the east, prevent

the sponsors from obtaining a majority petition.

Curtis Avenue, between Coyle and Lauder, is two blocks long and is the only unpaved section of Curtis Avenue west of Hubbell Avenue.

The petition has been signed by the property owners on the north side, but the institution occupying the south side is not interested in signing the petition.

It is our recommendation that Glendale Avenue, from Burt to Evergreen be paved to a width of 26 feet, and that Curtis Avenue, from Coyle to Lauder Avenue be paved to a width of 30 feet, with one course concrete under the Forced Paving clause of the City Charter, in accordance with the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,

Commissioner.

By Councilman Wise:

Resolved, That it is hereby declared necessary that the streets listed in the foregoing communication be paved with the material stated to the width recommended, and that the Commissioner of Public Works be and he is hereby directed to advertise for proposals for the paving of said streets under the Forced Paving clause of the City Charter.

Adopted as follows:

Yeas — Councilmen Beck, Connor, Lincoln, Rogell, Smith, Van Antwerp, Wise, Youngblood, and President Miriani—9.

Nays—None.

Respectfully submitted,

GLENN C. RICHARDS,

Commissioner.

By Councilman Wise:

Resolved, That all of Woodbridge Street, 50 ft. wide, between Woodward Avenue and Bates Street, as platted in Section 4, Governor and Judges' Plan of the City of Detroit, be and the same is hereby vacated as a public street to become a part and parcel of the adjoining property, and, further
