Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the petition of Anthony T. Kolarik, No. 4609, Peter Bondarek, No. 4730, Wm. C. Brick, No. 4731 and M. Haddad, No. 4410, for permission to maintain garage or side-drive encroachments unto the easements in the side or rear of their property.

A review of the petitions indicates that in each case the encroachment was inadvertently made and that it would be a hardship for the petitioners if the encroachments were ordered to be abated. We likewise feel that no undue hardship would be suffered by the City of Detroit if a permit to maintain the encroachment was granted subject to the usual conditions.

The resolution of November 16, 1954, reserves discretionary powers in matters peculiar to these petitions to your Honorable Body only. We are attaching a resolution granting the petitioners' requests to be adopted only if your Honorable Body desires to grant the petitions.

Respectfully submitted,  
GLENN C. RICHARDS,  
Commissioner.

By Councilman Wise:

Resolved, That permission be and the same is hereby granted to the owners of:

a) Lot 226 of Warrendale Warsaw

Subdivision, located at 9390 Auburn Avenue to maintain sidedrive encroachment into the easement in the side of said lot, (Anthony T. Kolarik, No. 4609).

d) Lot 131 of Radio Subdivision No. 1, located at 18265 Vaughn Avenue to maintain garage encroachment of 11 inches into the easement in the rear of said lot, (Mike Haddad, No. 4410).

The above grants are subject to the following provisions:

1) That no right in the public easement shall be considered waived by this permission which is granted expressly on the condition that the garages and sidedrives and all obstructions in connection therewith shall be removed at the expense of the grantees at any time when so directed by the Common Council; and further

2) If at any time in the future it becomes necessary to repair or replace the sewers or other utilities located or to be located in said easement, by the acceptance of this permission, the owners for themselves, their heirs and assigns waive claims for any damages to the encroaching installations and agree to pay the costs incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the Department of Public Works at the owners expense; and further

3) This resolution is revocable at the will, whim, and caprice of the Common Council, and the grantees by the acceptance of this permission, waive any right to claim damages or compensation for any garages or sidedrives constructed and maintained hereunder, or for removal of the same, and they acquire no implied nor any other privileges not expressly stated herein:
