Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Board of Education requesting the vacation of Fargo Avenue between McIntyre and Northrop Avenues and the vacation of a portion of McIntyre Avenue north of Fargo Avenue. The vacation of said streets was approved by the City Plan Commission with the recommendation that sufficient land be allocated to extend Chippewa Avenue between McIntyre and Northrop Avenues. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

The petitioners issued an Interdepartmental Purchase Order No. 15384, in the amount of \$232.74 in favor of the Detroit Fire Department to cover the cost of removing signal system wires located in Fargo Avenue to be vacated.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said streets or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

As the vacation of said streets is necessary for the proper utilization of the school site, we recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
