Honorable Common Council:  
 Gentlemen—We are returning herewith the petition of Emily Jakubek et al, Petition No. 6578, requesting the vacation of a portion of the Portlance Avenue right-of-way, east of Conner Avenue. The vacation was approved by the City Plan Commission, and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per directive, on February 17, 1956, the petitioner paid into the City Treasury the amount of \$284.25, Receipt No. A-34190, to be credited to the Public Works Maintenance Fund Code No. 143-6221-1, to reimburse the City of Detroit for the original cost of paving the east one-half of Conner Avenue, at the intersection of the portion of Portlance Avenue to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of street, or that they have reached satisfactory agreement with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,  
 GLENN C. RICHARDS,  
 Commissioner.
