Department of Public Works

June 28, 1957.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Board of Education, Petition No. 7821, requesting the vacation of Patton Avenue between Davison and Tyler Avenues and a portion of north-south public alley north of Tyler Avenue between Bralle and Patton Avenues. The petition was approved by the City Plan Commission and was then referred to this office by your Committee of the Whole for investigation and report.

Our investigations are completed and they disclose that several City Departments are affected by the vacation of said street and alley.

An easement is reserved in the vacating resolution for the Department of Water Supply for the maintenance of its water main located in Patton Avenue.

On June 21, 1957, the petitioner issued an interdepartmental purchase order No. 34835, in the amount of \$700.00 in favor of the Detroit Fire Department to cover the cost of relocating one fire hydrant located in the portion of Patton Avenue to be vacated.

The petitioner on June 21, 1957, also issued an interdepartmental purchase order No. 34836, in the amount of \$850.00 in favor of the Street Maintenance Division of the Department of Public Works to cover the cost of removing paved street return at the intersection of Patton and Davison Avenues and constructing straight curb and sidewalk incident to such removal, necessitated by the vacation of said street.

A proper provision is incorporated into the vacating resolution protecting the City's interests in the sewer located in the portion of alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street and alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

As the vacation of said street and alley is necessary for the proper utilization of the school site, we recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
