Honorable Common Council:

Gentlemen — We return herewith petition No. 11500 of Marilyn Rollinger, 18108 Sorrento Ave.; requesting the forced construction of sidewalks at the following described locations:

Lot 58, E.S. Sorrento bet. Thatcher and Curtis, side on Curtis only; 120 lineal feet.

N. 17.5 ft. of Lot 54, Lots 55 to 57 incl., W.S. Sorrento bet. Curtis and Thatcher, side on Curtis only; 120 lineal feet.

Lot 1, E.S. Outer Dr. bet. Thatcher and Curtis, side on Curtis only; 134 lineal feet.

There is approximately 374 lineal feet of concrete sidewalks to be constructed; the approximate cost of this new local improvement would be \$807.84, the cost and expense to be assessed against the lots or parcels of real estate to be benefitted by such local improvement, in proportion to the probable benefit to be derived therefrom.

As these are original sidewalks and can only be ordered constructed by a formal resolution as a forced account under the provisions of Chapter 264, as amended May 3, 1949, of the Compiled Ordinances we recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.

questing the vacation of the alleys north of Dover Avenue, between Stoepel and Livernois Avenues. The petition was approved by the City Plan Commission and was then referred to this office by your Committee of the Whole for investigation and report.

Our investigations are completed and they disclose the following departments affected by the vacation of the alleys:

Michigan Bell Telephone Company

We are in receipt of a reply from the Michigan Bell Telephone Company indicating that their services will be affected by the vacation of the alley north of Dover Avenue between Stoepel and Livernois Avenues.

We are in receipt of a letter from the Bureau of Real Estate of the Corporation Counsel's Office filed with the original petition, whereby said department agrees to pay all costs incurred by various city departments in the vacation of the above mentioned alleys from the proceeds of the sale of the property.

A proper provision is incorporated into the vacating resolution protecting the various city departments' facilities involved in the vacation of said alleys north of Dover Avenue between Stoepel and Livernois Avenues.
