The following resolution ordering the force paving of Sherwood Avenue is offered for your consideration.

Respectfully submitted,  
 GLENN C. RICHARDS,  
 Commissioner.

Honorable Common Council:

Gentlemen—Your Committee of the

Whole referred to this office for investigation and report petitions requesting conversion into easements of the alleys described in the attached resolution.

The conversion of the alleys into easements was approved by the City Plan Commission at an earlier date.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by the changes or that they have no objections to the conversion of the alleys into easements provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in the alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,  
 GLENN C. RICHARDS,  
 Commissioner.
