Honorable Common Council:
 Gentlemen—This is to inform your Honorable Body that on September 8, 1958, an Order was entered vacating the alley in the following case:

Wayne Circuit Court Number 293-297, Location, Lansdowne, Rossiter, Moross, and McCormick Avenues, Common Council Petition 11953.

The Order, among other things, provides that public easements for public utility purposes shall be retained in the land comprising the alley and, further, that the Clerk of the Court forward a certified copy to the Auditor General of the State of Michigan.

We submit herewith a resolution directing the City Clerk to record the attached certified copy of the Order with the Wayne County Register of Deeds.

Respectfully submitted,
 RAYMOND F. STACHURA,
 Assistant Corporation Counsel.

By Councilman Wise:
RESOLVED, That the City Clerk be, and he is hereby directed to record the Order vacating the public alley in the Office of the Wayne County Register of Deeds, within 30 days from the date hereof, in accordance with the foregoing communication from the Corporation Counsel.

Approved:
 WALTER E. VASHAK,
 Acting Corporation Counsel.

Honorable Common Council:
 Gentlemen—This is to advise your Honorable Body that on September 8, 1958, Orders were entered by the Honorable Victor J. Baum, Circuit Judge, dismissing the petitions for vacating public alleys in the following cases:

Wayne Circuit Court Number 293-296; Location, Freeland, Ardmore, Chalfonte, and Fenkell Avenues; Common Council Petition No. 11952.

Wayne Circuit Court Number 293-295; Location, Forrer, Montrose, Schoolcraft, and Kendall Avenues; Common Council Petition No. 12466.

Wayne Circuit Court Number 293-048; Location, Carrie, Cliff, Iowa, and

Varjo Avenues; Common Council Petition No. 12255.

The first two of the above petitions were dismissed, as a number of the abutting property owners who previously requested the closing of these alleys had since changed their minds and no longer desired the vacation of such alleys, resulting in a percentage of less than 35% of the abutting owners requesting the closing. The third and last petition was dismissed because one of the abutting owners opposed the closing, as he had approximately 5 feet 8 inches between his property and that of the adjoining owner, which was insufficient to construct a side drive.

The petitions were dismissed without prejudice to the right of the City to petition for vacation of the alleys above mentioned at a later date upon a showing that the required percentage of abutting property owners favor and request same.

Respectfully submitted,
 RAYMOND F. STACHURA,
 Assistant Corporation Counsel
