Department of Public Works

April 17, 1959.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of Lewis Burr, No. 3504, requesting the vacation of a portion of the east-west public alley west of Mohican Avenue and south of Eight Mile Road. The vacation of said alley was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive the petitioner paid into the City Treasury the sum of \$143.08, Receipt No. B-37913 credited to the Street Maintenance Fund Code No. 143-0000(6241), said amount being the original cost of paving the west one-half of Mohican Avenue at the intersection of the alley to be vacated.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
