Honorable Common Council:

Gentlemen — We are returning herewith the petition of Glendale Provision Company, et al, No. 4217, requesting the vacation and temporary closing of certain alleys in block bounded by Grand Trunk Railroad, Division, Gratiot, and Adelaide Avenues. The vacation and temporary closing of these alleys was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the City Treasury, the sum of \$33.80, Receipt No. C-13551, credited to the Public Works Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the south one-half of Division Street at the intersection of the alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the following resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner
