Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Conway Foundry Company (6067) requesting the vacation of a portion of the east-west public alley east of Ackley Avenue between Varney and Legrand Avenue. The vacation of said portion of alley was approved by the City Plan Commission and was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the portion of alley to be vacated.

An easement is reserved in the vacating resolution for the Public Lighting Commission for the main-

tenance of its installations located in the portion of alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of alley or that they have reached satisfaction agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS.

Commissioner.
