

in the Contract price of \$155.83, for Contract PW-3709F, into the City Intersection Fund, paving alley, Schaefer, Hartwell, Joy Road, W. Chicago. We now find that our computations were in error and that the amount involved was an increase of \$4.17, rather than the above deduction.

Inasmuch as the latter amount is under \$100.00 and less than 1% of the approved Assessment cost, action by your Body was unnecessary.

It is, therefore, requested that your previous resolution be rescinded.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Smith:

Resolved, That the previous resolution of October 11, 1960, pertaining to adjustment in price of Contract PW-3709F, be and is hereby rescinded.

Gentlemen—Your Committee of the Whole referred to this office for investigation and report petitions requesting conversion into easements of the alleys described in the attached resolution.

The conversion of the alleys into easements are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by the changes or that they have no objections to the conversion of the alleys into easements provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in the alleys.
