**Department of Public Works**

August 8, 1960.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Wayne County Board of Supervisors, No. 13950, requesting the vacation of a portion of Raynor Avenue southeasterly of Gratiot Avenue.

The vacation of said portion of street was approved by the City Plan Commission, and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the Permit Division of the Department of Public Works the sum of \$5,900.00, Receipt No. GR 4653, said amount being the estimated cost of removing concrete base and asphalt surface, constructing curb and walk, adjusting one manhole and backfilling where necessary.

On July 29, 1960, the petitioner deposited with the City Treasurer the sum of \$650.00, Receipt No. C 3316, credited to the Detroit Fire Department Fund Code No. 990-9406, said amount being the estimated cost of removing one hydrant and relocating one hydrant in the portion of Raynor Avenue to be vacated.

On July 29, 1960, the petitioner deposited with the City Treasurer the sum of \$1,000.00, Receipt No. 3315, said amount being the estimated cost to plug a 12-inch by 8-inch tee in Gratiot Avenue and a 10-inch by 4-inch tee in Clinton Street.

All other City departments and privately-owned utility companies reported that they will be unaffected by the vacation of said street, or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,  
Commissioner.

By Councilman Van Antwerp:

Resolved, That the westerly 16 feet of Raynor Avenue, 40 feet wide, between the south line of Gratiot Avenue, 120 feet wide as now established, and the south line of the
