Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Mt. Elliott Realty Company, No. 3583, requesting the vacation of a portion of Newhall Street east of Mt. Elliott Avenue. The vacation of said street was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the Permit Division of the Department of Public Works the sum of \$625.00, Receipt No. GR-4570, said amount being the estimated cost of constructing curb and steel post-type barricade across pavement of the portion of street to be vacated.

All other City departments and privately-owned utility companies reported that they will be unaffected by the vacation of said street or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.

Honorable Common Council:

Gentlemen—Your Honorable Body authorized me to negotiate an agreement with the City of Dearborn in the matter of the enclosure of Baby Creek and the construction of the Wyoming Relief Sewer, Kirkwood to Belton (J.C.C. 2112, 1959).

The agreement has been prepared and approved as to form by the Corporation Counsel. Essentially the agreement sets forth the apportionment of cost between Dearborn and Detroit with respect to the enclosure of Baby Creek. The contribution of each municipality toward this part of the construction of the Baby Creek Sewer is based upon the percentage of flow that each municipality will discharge from areas tributary to the Baby Creek Sewer. In addition, the agreement establishes the right of Detroit to construct the Wyoming Relief Sewer through Dearborn, and a reciprocal right for Dearborn to construct a future sewer within Detroit limits to carry flow from area tributary to the Baby Creek Sewer via the Wyoming Avenue Trunk Sewer.

I respectfully request your authorization to sign this agreement in behalf of the City, and at such time as the agreement is fully executed, it will be presented to your Honorable Body for approval and confirmation.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
