Honorable Common Council:

Gentlemen—We are returning herewith the petition of Jim Causley, No. 6383, requesting the vacation of the east-west public alley north of Mack Avenue and first westerly of University Place. The vacation of said alley was approved by the City Plan Commission with the recommendation that the petitioner dedicate to the City of Detroit a new alley outlet into University Place. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the Permit Division of the Department of Public Works the sum of \$3,200.00, Receipt No. GR-3945, said amount being the estimated cost of constructing new curb and walk at the entrance of the alley to be vacated, constructing new return at entrance of newly deeded alley, and grading and stoning newly deeded alley.

The petitioner also deposited with the City Treasury the sum of \$216.65, Receipt No. B-37468, credited to the Public Works Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the west one-half of University Place at the intersection of the alley to be vacated.

We are in receipt of a Warranty Deed from the petitioner to the City of Detroit deeding land for a new alley outlet. Said deed was approved as to form and execution by the Corporation Counsel and as to descrip-

tion by the City Engineer and is attached for your Honorable Body's acceptance.

All other City departments and privately-owned utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
