Honorable Common Council:

Gentlemen — The petition of the Mido-Star Corporation, No. 7777, requesting the vacation of a portion of the Seven Mile Road right-of-way east of Cooley Avenue, was referred to this office by your Committee of the Whole for investigation and report. The Wayne County Road Commission, which has jurisdiction over said portion of street, relinquished its jurisdiction by resolution adopted at its meeting of August 25, 1960.

The City Plan Commission approved the vacation of said portion of street in its communication to your Honorable Body of September 2, 1960.

We wish to advise that all of our investigations are completed. In reply to our inquiry, all City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of street.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,

Commissioner.

Honorable Common Council:

Gentlemen—

Re: Contract PW-3707F.

Paving Alley Bounded by Wyoming, Kentucky, Puritan and Florence.

Amount in Assessment Portion, \$7,340.65.

Amount in City Intersection Portion, \$1,156.60.

Total Amount Accepted Proposal, \$8,497.25.

The Assessment Roll was based on the above Assessment Portion.

Under the provisions of the resolution authorizing the award of the Contract, any deductions from or additions to the Assessment Portion exceeding \$100.00 or one percent of the original Contract amount must be approved by the Common Council before the adjustment of such difference is applied to the City Intersection Portion.

Based on final field measurements, the following difference resulted between the estimated cost of the work in Assessment Portion of the accepted Proposal and that actually constructed:

Deduction of \$537.95, or 7.3 percent of Assessment Portion of the construction cost.

It is recommended that the Assessment Portion of the construction costs remain unchanged from the original amount in the accepted Proposal and that the adjustment of the above difference be made in the City Intersection Portion.

Respectfully submitted,

GLENN C. RICHARDS,

Commissioner.

By Councilman Smith:
