Honorable Common Council:

Gentlemen — We wish to advise that in carrying out the Neighborhood Betterment Plan in the Mack-Concord Conservation Project Michigan R-1, the Detroit Housing Commission has requested the vacation of portions of Stuart Avenue east of Bellevue Avenue and certain alleys north of Stuart Avenue east of Bellevue Avenue. The vacation of said portions of street and certain alleys was approved by the City Plan Commission and referred to this office by your Committee of the Whole for investigation and report.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portions of street and alleys.
