

of Union Steel Stamp and Die Engravers, Inc., No. 10199, requesting the vacation of Oakley Avenue west of Mt. Elliott Avenue. The vacation of said street was approved by the City Plan Commission in its communication to your Honorable Body on June 2, 1961.

We wish to advise that our investigations are completed.

The petitioner deposited with the City Treasurer the sum of \$398.45, Receipt No. B-13017, credited to the Street Maintenance Fund Code No. 143 (6241), said amount being the original cost of paving the west one half of Mt. Elliott Avenue at the intersection of Oakley Avenue to be vacated.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the existing sewers located in Oakley Avenue to be vacated.

The petitioner requested that the street return at the entrance to the street to be vacated remain in its present status as the petitioner plans to utilize same and has agreed, by letter filed with the original petition, to pay all costs incidental to the removal of the return at such time in the future as the removal of the return becomes necessary.

All other City departments and privately-owned utility companies reported that they will be unaffected by the vacation of said street; or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
