

estimated at a maximum of \$15,000, on the basis of total gross receipts of \$500,000. Of the total estimated maximum cost of \$15,000, 65%, or \$9,750 would come from the Department's share of such receipts, and 35%, or \$5,250, from the Transportation Advertising Company, which represents us in the sale of advertising space.

It is the opinion of the management and of the Transportation Advertising Co. that participation in this program would benefit the sale of advertising space on our vehicles. In order to effect such participation, it will be necessary to execute a supplement to the existing Advertising Agreement between the Department and its representative.

Attached hereto is the proposed supplement which has been approved as to form by our General Counsel and the Corporation Counsel of the City of Detroit. The term of participation is limited to a maximum of two years, with privilege of cancellation after one year if the program does not prove of value to the Department.

The Board of Street Railway Commissioners, at its meeting held on December 20, 1962, approved the Department's participation in this program and the proposed supplement to the advertising contract.

Your approval of the attached supplement to the contract with the Transportation Advertising Company is respectfully requested.

Respectfully submitted,

JAS. E. BOSTICK,
General Manager.

By Councilman Wierzbicki:

Resolved, That the supplement to the existing contract with Transportation Advertising Co., to participate in a transit advertising program under the terms and conditions as outlined in the foregoing communication from the Department of Street Railways, be and the same is hereby approved.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Patrick, Ravitz, Rogell, Wierzbicki and President Carey—8.

Nays—None.

Department of Street Railways
December 14, 1962.

Honorable Common Council:

Gentlemen—We respectfully submit the Financial Statement of the Department of Street Railways for the month of November, 1962.

The result of operations for the month shows a net income of \$153,630, as compared with a net income of \$165,517 for the month of November, 1961.

Total revenue for the month was \$2,494,702, as compared with \$2,520,711 in November, 1961, a decrease of \$26,009, or 1.03%. The number of revenue passengers declined from 10,415,925 in the 1961 month to 10,140,244 in the 1962 month, a decrease of

275,681 revenue passengers, or 2.65%.

Total cost of operation for November, 1962 was \$2,341,072, as compared with \$2,355,194 in November, 1961, a decrease of \$14,122, or 0.60%. Substantial increases resulting from higher pay rates and a larger pension contribution were more than offset by decreases in other expense factors.

Cumulative net income for the five months ended November 30, 1962 was \$184,628, as compared with cumulative net income of \$366,434 for the same period in the preceding fiscal year.

Sixty new diesel coaches were received and placed in service during the month. Acquisition of this equipment enabled the Department to discontinue the last trolley coach line on Grand River Avenue as of November 16, 1962.

Respectfully submitted,
JAS. E. BOSTICK,
General Manager.

Board of Water Commissioners
December 17, 1962.

Honorable Common Council:

Re: Easement for Harper-Evanston 42-inch Water Main, St. Jean to Hayes.

Gentlemen—The engineering studies in connection with the construction of a 42-inch water main, known as the Harper-Evanston line, from St. Jean to Hayes, Contract No. WS-135A, have determined that efficient and economical construction calls for utilizing a route across Conner Parkway, north of Harper. The Department of Parks and Recreation, in a letter of November 13 to this Department, has given approval to the use of this route, with certain stipulations as to protection of trees and restoration of lawn area.

This main is presently scheduled as part of the Federal Accelerated Public Works Program, and in order to expedite the work it is requested that your Honorable Body kindly adopt a resolution, the suggested form of which is attached, to grant the right for this department to construct, operate, and maintain the subject water main in a thirty-foot wide easement across the Parkway.

We will appreciate your favorable action to cooperate in the accelerated program.

Respectfully submitted,
G. REMUS,
General Manager.

By Councilman Brickley:

Resolved—That the Department of Water Supply be granted a 30-foot wide easement for the construction, operation and maintenance of a 42-inch water main across Conner Parkway north of Harper Avenue; the easement to be described as follows:

A 30-foot wide easement through that part of the Conner Parkway of part of Private Claim 10 lying north of Harper Avenue, and centered on a line determined by the following de-

scribed points:

The southerly point being located on the north property line of Harper Avenue, 9.7 feet in a westerly direction from the intersection of the west property line of St. Jean projected to the north property line of Harper Avenue.

The northerly point being located 102.2 feet west of the intersection of the east property line of Conner Avenue and a line parallel to and 30 ft. north of the south property line of Evanston Avenue.

No structures of any nature shall be constructed within the easement area unless prior approval is obtained from the Department of Water Supply and also free and easy access to the water main within the easement shall be provided at all times to permit proper operation, maintenance, and, if required, repair of the main.

Adopted as follows:

Yeas—Councilmen Beck, Brickley, Connor, Patrick, Ravitz, Rogell, Wierzbicki and President Carey—8.

Nays—None.

Reconsideration

Councilman Connor moved to reconsider the vote by which the resolution was adopted.

Councilman Rogell moved to suspend Rule 23 for the purpose of indefinitely postponing the motion to reconsider, which motion prevailed as follows:

Yeas—Councilmen Beck, Brickley, Connor, Patrick, Ravitz, Rogell, Wierzbicki and President Carey—8.

Nays—None.

Councilman Ravitz then moved that the motion to reconsider be indefinitely postponed, which motion prevailed.

The regular order was resumed.
