Honorable Common Council:

Gentlemen—In response to pub-
lished advertisements, on February 16,
1962, fourteen bids were received for
the Discharge Conduit, Oakwood
Pumping Station, Contract PW-3044,
as listed on the attached tabulation.

The low bid was regular and in ac-
cordance with the contract require-
ments. It is, therefore, recommended
that the contract be awarded to the
low bidder, Miller - Thompsen Con-
struction Co., Inc., in the amount of
\$133,700.00.

In addition to the bid price, it is
estimated that \$14,000.00 will be re-
quired to cover the cost of advertis-
ing, inspection, and possible minor
changes, and \$20,000.00 for the re-
quired changes in public utilities,
making a total of \$167,700.00.

This amount is available in Account
