Honorable Common Council:

Gentlemen—We return herewith the following request and petition, requesting the forced construction of sidewalks at the following described locations:

Dept. of Public Works Request Lot 62, W. S. Outer Dr. between Midland and Fenkell, front only. Approx. 30 lineal feet.

Petition No. 2193, Claude L. Jones, 11330 Lansdowne, Detroit 24, Michigan, Lot 362, E. S. Lansdowne between Whittier and Yorkshire, side on Yorkshire only. Approx. 121 lineal feet.

There is approximately 151 lineal feet of concrete sidewalks to be constructed; the approximate cost of this new local improvement would be \$498.30, the cost and expense to be assessed against such lots or parcels of real estate to be benefitted by such local improvement in proportion to the probable benefit to be derived therefrom.

As these are original sidewalks and can only be ordered constructed by a formal resolution as a forced account under the provisions of Chapter 264, as amended May 3, 1949, of the Compiled Ordinances, we recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,  
Commissioner.
