Honorable Common Council:

Gentlemen—We are returning herewith the petition of Charles H. Brown, et al, Number 661, requesting the conversion of the east-west public alley, 20 feet wide, north of Miami Avenue, east of Bassett Avenue, into an easement for public utilities.

The conversion of said alley into an easement was approved by the City Plan Commission at an earlier date. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately-owned utility companies reported that they have no objection to the conversion of the alley into an easement, provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in said alley.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
