Department of Public Works

May 22, 1962.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Stroh Brewery Co., et al, No. 634, requesting the conversion into easements of Columbia Street, between Beaubien and St. Antoine Streets, and also portions of the alleys in the blocks north and south thereof. The conversion into easements of said street and alleys was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive the petitioner deposited with the City Treasurer, the sum of \$2,700.00, Receipt No. A-41072, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of removing and rerouting P.L.C. facilities necessitated by the conversion of said street and alleys.

The petitioner also paid into the City Treasury, the sum of \$490.74, Receipt No. A-41073, credited to the Department of Public Works Street Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the streets at the intersection of the street and alleys to be converted into easements.

The petitioner has requested that the paved street and alley returns at the entrances of the street and alleys to be vacated, remain in their present status as the petitioner plans to utilize same and has agreed by letter filed with the original petition to pay all costs incidental to the removal of the returns at such time in the future as the removal of the returns becomes necessary.

All other City departments and privately owned utility companies reported that they will be unaffected by

the changes or that they have no objection to the conversion of the street and alleys into easements provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in said street and alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
