Honorable Common Council:

Re: All Projects—Armed Guard Service Award of Contract

Gentlemen—In response to an advertisement for bids for furnishing armed guard protection as needed at our various projects, the following bids based on hourly rates were received:

Michigan Industrial Police, \$1.75 per hour.

Sterling Secret Service, \$1.75, per hour.

Banks & Fritz, Inc., \$1.80, per hour.

Spartan Security Service Company, \$1.87, per hour.

Employers Guard Service, Inc., \$1.90, per hour.

Earl Puryear, \$1.90, per hour.

Watts & Whelan, \$1.94, per hour.

Dawn Patrol, \$2.00 per hour.

Associated Police Service, \$2.00, per hour.

William J. Burns International Detective Agency, Inc., \$2.30, per hour.

Of the two bids submitted at \$1.75 per hour, the one from Michigan Industrial Police was not acceptable since the bid bond which was required did not accompany the bid.

Our investigation of Sterling Secret Service discloses that they have satisfactorily performed for McLouth Steel, Detroit Bank and Trust Company and Kasle Steel and Aluminum Company. They have, at the present time, fifty-nine (59) full-time employees and twelve (12) part-time employees. They have serviced some of their present clients up to twenty (20) years, and the quality of their service is highly recommended.

We, therefore, recommend award of the contract for armed guard service to our various projects to the Sterling Secret Service for a one-year period beginning November 19, 1962, through November 18, 1963, subject to mutual extension of the contract on acceptable terms at that time. Approval of your Honorable Body is respectfully requested. Since the current contract expires November 18, 1962, we respectfully request waiver of reconsideration.

Respectfully submitted,

ROBERT D. KNOX,

Director-Secretary.

G. J. SAAM,

Deputy Controller.

Department of Public Works

November 1, 1962.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Roman Catholic Archdiocese of Detroit, No. 835, requesting the vacation of the east-west public alley, west of Eureka Avenue between Davison Avenue and Luce Avenue. The vacation of said alley was approved by the City Plan Commission with the recommendation that sufficient land be dedicated for a new alley outlet into Eureka Avenue. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner paid into the City Treasury, the sum of \$246.13, Receipt No. B-19030, credited to the Street Maintenance Division Fund Code No. 143-6241, said amount being the original cost of paving the west one-half of Eureka Avenue at the intersection of the alley to be vacated.

The petitioner also deposited with the Permit Division of the Department of Public Works, the sum of \$1,500.00, Receipt No. GR-8528, said amount being the estimated cost of removing the paved alley return, constructing new curb and walk, backfilling where necessary, constructing a new alley return, removing one tree, stoning and grading the newly deeded alley, west of Eureka Avenue, north of Luce Avenue.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

We are in receipt of a Quit Claim Deed whereby the petitioner dedicates land to be used for alley purposes in accordance with the City Plan Commission's recommendation. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and is attached hereto for Your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the

attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
