Honorable Common Council:

Gentlemen—In response to pub-
lished advertisements, bids were re-
ceived on January 9, 1963, for the
construction of the West End Relief
Sewer, Section II, Dix to Kirkwood.
The tabulation of the bids received is
attached hereto.

The low bid, submitted by Rocco
Ferrera and Company, Inc., is regular
in all respects, in accordance with the
requirements of the Contract Docu-

with the petition of the Board of Edu-
cation, No. 1873, requesting the va-
cation of Larchmont Avenue and the
alley south of Larchmont Avenue be-
tween Beechwood and Firwood Ave-
nues in the area of Webber Junior
High School. The vacation of the said
street and alley was approved by the
City Plan Commission and the pe-
tition was then referred to this office
by your Committee of the Whole for
investigation and report.

We wish to advise that our investi-
gations are completed.

As per our directive, the petitioner
issued a purchase order, No. 004854,
in the amount of \$1,150.00, in favor
of the Detroit Fire Department to
cover the costs of abandoning and
relocating the two fire hydrants lo-
cated in the street to be vacated.

The petitioner also issued a pur-
chase order, No. 004855, in the amount
of \$410.00, in favor of the Public
Lighting Commission, Lighting Divi-
sion to cover the costs of removing
and relocating P.L.C. installations
necessitated by the vacation of said
street and alley.

The petitioner also issued a pur-
chase order, No. 004856, in the amount
of \$3,645.00, in favor of the Depart-
ment of Public Works, Street Mainte-
nance Division to cover the costs of
removing the paved street and alley
returns, constructing new curb and
walk, backfilling where necessary, and
adjusting the existing pavement.

The petitioner also issued a pur-
chase order, No. 004857, in the amount
of \$1,511.73, in favor of Department
of Public Works, Street Design Bureau,
said amount being the original cost
of paving the streets at the inter-
section of the street and alley to be
vacated.

An easement is reserved in the va-
cating resolution for the Department

of Water Supply for the maintenance of its water main located in Larchmont Avenue to be vacated.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley in the easterly portion of the alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street and alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend adoption of the attached resolution.
