Honorable Common Council:

Gentlemen—We wish to advise that in carrying out the development plan for the rehabilitation of the blighted area which is known as the Medical Center Project No. 1, Michigan R-35, which is being undertaken by the City pursuant to Act 344 of Public Acts of 1945, as amended, the Detroit Housing Commission has requested the vacation of certain streets and alleys within the project.

The Detroit Edison Company has reported that it has lines and poles in the streets and alleys to be vacated and has submitted an estimate of \$148,388.00, as its entire cost of removing and re-routing its installation from the streets and alleys to be vacated within the limits of the area known as the Medical Center Project No. 1.

The Michigan Bell Telephone Company has reported that it has lines and poles in the streets and alleys to be vacated and has submitted an estimate of \$75,000.00, as its entire cost of removing and re-routing its installations from the streets and alleys to be vacated within the limits of said project.

The Michigan Consolidated Gas Company has reported that it has mains located in the streets to be vacated and has submitted an estimate of \$10,920.00, as its entire cost of abandoning the existing mains and installing new mains within the limits of said project.

Your Honorable Body may make provisions for the relocation of the lines and poles of the Detroit Edison Company and Michigan Bell Telephone Company and the gas mains of the Michigan Consolidated Gas Company in streets located near the streets and alleys to be vacated.

The Corporation Counsel contends that these relocating costs are not chargeable against the City. The case involving the liability of the City for these costs is now pending in the Michigan Supreme Court.

All City departments reported that they will be unaffected by the vacation of said streets and alleys.

In view of the foregoing, it will be necessary to adopt a resolution vacating the aforementioned streets and alleys and directing the Detroit Edison Company, the Michigan Bell Telephone Company and the Michigan Consolidated Gas Company to remove their installations therefrom.

Respectfully submitted,  
GLENN C. RICHARDS,  
Commissioner.

Approved:  
ROBERT REESE,  
Corporation Counsel.
