Respectfully submitted,

Department of Public Works August 9, 1963.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Church of the Precious Blood, et al, No. 248, requesting the vacation of a portion of Hartwell Avenue between Grove Avenue and Florence Avenue. The vacation of said portion of Hartwell Avenue was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

An easement is reserved in the vacating resolution for the Department of Water Supply and the Michigan Consolidated Gas Company for the maintenance of their mains located in the portion of street to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of street or that they have reached satisfactory agreements with the peti-

tioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
