

Seven Mile Associations.

- (1) Establish a \$6.00 monthly parking fee.
- (2) Eliminate the 30c all-day rate now in effect; the hourly rates of 10c for the first hour and 5c for each additional hour would remain the same.
- (3) Monthly permit parking plan will be administered for the Municipal Parking Authority by the Radcliff Management Company, operators of the parking lot.
- (4) Monthly payments will be made by permittees to Radcliff Management Company.
- (5) Radcliff Management Company will issue pre-numbered tag to each permittee. Tag will be hung on rear view mirror. A deposit of \$1.00 will be required with each tag, to be refunded when tag is returned.
- (6) A second car, with a different owner, can be signed under one permit with the stipulation that only one of the two cars can be on the lot at the same time. This will enable two persons to alternate use of their cars in driving to work at a single monthly rate.
- (7) As a condition of this agreement, permittee must park his car in a stall along the west wall of the lot, or in a stall designated by the Operator.

The inauguration of this program will result in an increased work load for the operator in the form of additional bookkeeping, records, and time devoted to necessary controls and contacts. In recognition of this factor, the Radcliff Management Company, at our request, have submitted a request for an additional management fee of \$96.50 per month. It is our opinion that this fee is reasonable in view of the added work involved.

In order to put this program into effect, we are requesting that your Honorable Body approve the establishment of the \$6.00 monthly permit parking rate, elimination of the 30c all-day rate, and an increase of \$96.50 to the monthly management fee being paid to the Radcliff Management Company.

Respectfully submitted,  
**FRED J. ROMANOFF,**  
 Director.

Approved:  
**G. J. SAAM,**  
 Deputy Controller.

Department of Public Works  
 March 8, 1963.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the G. R. Holding Corporation, No. 2519, requesting the vacation of the 40-foot public alley, and the conversion to an easement of a portion of the 20-foot wide public alley south of Plymouth Road east of Fielding Avenue. The vacation of said alleys was approved by the City Plan Commission with the recommendation that sufficient land be dedicated to the City of Detroit for the widening of Fielding Avenue south of Plymouth Road, for a new alley outlet into Plymouth Road and a new easement into Fielding Avenue. The petition was then referred to this office by Your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the Permit Division of the Department of Public Works, the sum of \$9,460.00, Receipt No. GR 8940, said amount being the estimated cost of removing the paved alley return, constructing new curb and walk, backfilling where necessary, and paving the newly deeded alley.

The petitioner also paid into the City Treasury the sum of \$726.68, Receipt No. A-35986, credited to the Department of Public Works Street Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the east one-half of Fielding Avenue at the intersection of the alley to be vacated.

We are in receipt of Quit Claim Deeds from the petitioner to the City of Detroit deeding land for a new alley outlet into Plymouth Road, a new easement into Fielding Avenue, and for the widening of Fielding Avenue south of Plymouth Roads in accordance with the recommendation of the City Plan Commission. Said deeds were approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and are attached hereto for your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,  
**GLENN C. RICHARDS,**  
 Commissioner.
