Department of Public Works

January 25, 1963.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Conway Foundry Company, No. 3077, requesting the vacation of a portion of the east-west public alley, 16 feet wide, east of Ackley Avenue between Legrand Avenue and Varney Avenue. The vacation of said portion of alley was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewer located in the alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
