Honorable Common Council:

Gentlemen—We are returning, herewith, the petition of the Board of Education, Number 3208, requesting the vacation of Brainard Street between Fourth Avenue and the east service drive of the John C. Lodge Freeway.

The above-described section of Brainard Street is only one block in length and is located between the Couzens School and the Wigle Playfield. The Department of Parks and Recreation has given their written consent to vacate the street, provided the Board of Education assumes all costs incidental, thereto, and has also stated that the entire street right-of-way be reverted to the Board of Education.

The vacation of said street was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner issued a Purchase Order, Number 017343, in the amount of \$950.00 in favor of the Detroit Fire Department, said amount being the estimated cost

of removing and relocating one fire hydrant.

The petitioner also issued a Purchase Order, Number 017344, in the amount of \$600.00 in favor of the Public Lighting Commission, Lighting Division, said amount being the estimated cost of removing the Public Lighting Commission facilities located in Brainard Street to be vacated.

The petitioner also issued a Purchase Order, Number 017345, in the amount of \$1,400.00 in favor of the Public Lighting Commission, Communications Division, said amount being the estimated cost of rerouting Public Lighting Commission communication facilities located in the portion of Brainard Street to be vacated.

The petitioner also issued a Purchase Order, Number 017346, in the amount of \$379.40 in favor of the Department of Public Works, Street Design Bureau, said amount being the original cost of paving the streets at the intersection of Brainard Street to be vacated.

The petitioner also issued a Purchase Order, Number 017347, in the amount of \$4,650.00 in favor of the Department of Public Works, Street Maintenance Division, said amount being the estimated cost of removing the paved street returns and other related work.

An easement is reserved in the vacating resolution, for the Department of Water Supply and the Michigan Consolidated Gas Company, for the maintenance of their mains located in Brainard Street to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
