

Benson, in the name of the Two and Two Corporation, Petition No. 941.

Also, on J.C.C. Page 1244, your Honorable Body approved the maintenance of a spur track across the north-south alley bounded by Meldrum, Beaufait, Benson, and Mack, for the Two and Two Corporation, Petition No. 1478.

This is to advise that this property has been foreclosed by the City of Detroit. Therefore, in accordance with directive from the Office of the City Controller, dated March 1, 1961, the Department of Public Works recommends the above encroachment and spur track be rescinded and that the City Controller be directed to cancel bonds presently on file and Spur Track Bill No. 3-17, in the amount of \$25.00, in accordance with established procedure.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Van Antwerp:

Resolved, That resolution adopted April 29, 1958 (J.C.C. p. 846-7), granting petition of Two and Two Corp. (941), to maintain a bridge and underground fire line across Meldrum between Preston and Benson, and also, resolution adopted June 10, 1958 (J.C.C. p. 1244), granting petition of Two and Two Corp. (1478), to maintain a spur track across the N/S alley bounded by Meldrum, Beaufait, Benson, and Mack, be and the same are hereby rescinded in view of the foregoing recommendation from the Department of Public Works informing this body of the foreclosure of the property by the City of Detroit; and further

Resolved, That the City Controller is hereby authorized and directed to cancel, in accordance with established procedure, the bonds and Spur Track Bill No. 3-17, in the amount of \$25.00 that were filed pursuant to said resolutions.

Adopted as follows:

Honorable Common Council:

Gentlemen:
Re: Contract No. PW-4140-W. Paving Alley — Asbury Park, Mettetal, Davison, Schoolcraft. Amount in Assessment Portion \$2,076.40. Amount in City Intersection Portion \$704.30. Total Amount Accepted Proposal \$2,780.70.

The Assessment Roll was based on the above Assessment Portion.

Under the provisions of the resolution authorizing the award of the Contract, any deductions from or ad-

ditions to the Assessment Portion exceeding \$100.00 or one per cent of the original Contract amount must be approved by the Common Council before the adjustment of such difference is applied to the City Intersection Portion.

Based on final field measurements, the following difference resulted between the estimated cost of the work in Assessment Portion of the accepted Proposal and that actually constructed:

of \$113.70, or 4.9 per cent of Assessment Portion of the construction cost.

It is recommended that the Assessment Portion of the construction costs remain unchanged from the original amount in the accepted Proposal and that the adjustment of the above difference be made in the City Intersection Portion.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

Department of Public Works

October 7, 1963.

Honorable Common Council:
Gentlemen—We wish to advise that in carrying out the development plan for the rehabilitation of the blighted area which is known as the Elmwood Park Project No. 1, Michigan R-40, which is being undertaken by the City pursuant to Act 344 of Public Acts of 1945, as amended, the Detroit Housing Commission (No. 3788) has requested the vacation of certain streets and alleys within the project.

The Detroit Edison Company has reported that it has lines and poles in the streets and alleys to be vacated and has submitted an estimate of \$25,033.00, as its cost of removing and rerouting its installations from the streets and alleys to be vacated within the Elmwood Park Project No. 1.

The Michigan Consolidated Gas Company has reported that it has gas mains located in the streets to be vacated and has submitted an estimate of \$3,721.00, as its cost of abandoning the gas mains and installing new mains within the project.

Your Honorable Body may make provisions for the relocation of the lines and poles of the Detroit Edison Company and the gas mains of the Michigan Consolidated Gas Company

in streets located near the streets and alleys to be vacated.

The Corporation Counsel contends that these relocating costs are not chargeable against the City. The case involving the liability of the City for these costs is now pending in the Michigan Supreme Court.

All City departments reported that they will be unaffected by the vacation of said streets and alleys.

In view of the foregoing, it will be necessary to adopt a resolution vacating the aforementioned streets and alleys and directing the Detroit Edison Company, the Michigan Bell Telephone Company and the Michigan Consolidated Gas Company to remove their installations therefrom.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.

Approved:

ROBERT REESE,
Corporation Counsel.

Honorable Common Council:

Gentlemen — We are returning herewith the petition of the Chrysler Corporation, No. 3985, requesting the vacation with the reservation of easements for public utilities of that portion of Harper Avenue, which is surplus street right-of-way since the completion of the Edsel Ford Freeway, lying easterly of Mt. Elliott Avenue. The vacation with the reserva-

tion of easements of said surplus street right-of-way was approved by the City Plan Commission and was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by the vacation with reservation of easements of said surplus street right-of-way provided proper provisions are incorporated into the vacating resolution protecting their interests in their installations located in and/or over the above-mentioned street to be vacated.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Wierzbicki:

Resolved, That all that part of Harper Avenue Right-of-Way easterly of Mt. Elliott Avenue, being more particularly described as follows: Beginning at a point on the Easterly line of Mt. Elliott Avenue, 66 feet wide, said point lying Southerly on a course S. 26d 15m E., 219.75 feet (measured along the Easterly line of Mt. Honorable Common Council:

Gentlemen — We are returning herewith the petition of the Nicholson Transit Co., No. 4024, requesting the vacation of Dubois Street between Atwater Street and the Detroit River. The vacation of said street was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner paid into the City Treasury, the sum of \$262.50, Receipt No. A-17171, credited to the Public Works Maintenance Fund Code, No. 143-6241, said amount being the original cost of paving the south one-half of Atwater Street at the intersection of Dubois Street to be vacated.

The petitioner also deposited with the Permit Division of the Department of Public Works, the sum of \$1,465.00, Receipt No. GR-10138, said amount being the estimated cost of removing the paved street return, constructing new curb and walk, and backfilling where necessary at the entrance of Dubois Street to be vacated.

Proper provisions are incorporated in the vacating resolution protecting the City's interests in the sewer located in the street to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
