Honorable Common Council:

Gentlemen—We are returning the petition of the Michigan Conference of Teamster's No. 4130, requesting the conversion of certain alleys east of Trumbull Avenue between Perry and Spruce Streets into easements for public utilities. The conversion of said alleys into easements was approved by the City Plan Commission with the recommendation that sufficient land be deeded to the City for a new alley outlet into Spruce Street and

the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive the petitioner paid into the City Treasurer, the sum of \$239.04, Receipt No. A-44142, said amount being the original cost of paving the north ½ of Spruce Street and the south ½ of Perry Street at the intersection of the alley to be vacated.

The petitioner has requested that the paving of the newly deeded alley, constructing a new alley return and removing the paved alley returns at the entrance to the alley to be vacated be done by private contract and all costs of such improvements being borne by the petitioner. The Department of Public Works has no objection to the petitioner's request provided the work is done under City specifications and inspection.

We are in receipt of a Warranty Deed from the petitioner to the City of Detroit deeding land for a new alley outlet into Spruce Street as per the recommendation of the City Plan Commission. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer, and is attached hereto for your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the change or that they have no objection to the conversion of the alleys into easements, provided that proper provisions are incorporated into the vacating resolution protecting their interests in the installations located in said alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
