Department of Public Works

August 22, 1963.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of Allied Supermarkets, Inc., No. 4762, requesting the vacation of Decatur Avenue north of Van Buren and also the vacation of the 30-foot greenbelt at the north end of said Decatur Avenue.

The vacation of said street and greenbelt was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the City Treasurer the sum of \$945.00, Receipt No. C-8598, credited to the Department of Water Supply Fund Code No. 600 (0000) (6232) 001, said amount being the estimated cost of abandoning an existing 8-inch water main in Decatur Avenue to be vacated.

The Fire Department has agreed to the retention of a fire hydrant within Decatur Avenue to be vacated, as per the petitioner's request, on the condition that free and unobstructed use thereof may be had at all times and that the petitioner pay all costs for the relocation of said hydrant when it becomes necessary to do so.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said street and greenbelt.

We recommend the adoption of the

attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
