Honorable Common Council:

Gentlemen — We are returning herewith the petition of the General Cold Storage Warehouse Corporation, No. 4913, requesting the vacation of the east-west public alley east of Riopelle Street between Warren Avenue and Theodore Avenue. The vacation of said alley was approved by the City Plan Commission and the petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner paid into the City Treasury the sum of \$121.48, Receipt No. B-13968, credited to the Street Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the east one-half of Riopelle Street at the entrance to the alley to be vacated.

The petitioner requested that the paved alley return at the entrance to the alley to be vacated remain in its present status as the petitioner plans to utilize same and has agreed by letter filed with the original petition to pay all costs incidental to the removal of the return at such time in the future as the removal becomes necessary.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,  
Commissioner.
