Honorable Common Council:

Gentlemen — We are returning herewith the petition of the J. L. Hudson Company, et al, No. 5437, requesting the vacation of a portion of the east-west public alley in the block bounded by Beaubien Street, Adams Avenue, St. Antoine Street, and Beacon Street. The vacation of said portion of alley was approved by the City Plan Commission with the recommendation that sufficient land be dedicated for an alley turn-around at the westerly end of the section of alley to remain open. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

The petitioner has requested that the paving of the newly deeded alley turn-around and removing the paved alley return at the entrance to the alley to be vacated be done by private contract and all costs of such improvements being borne by the petitioner. The Department of Public Works has no objection to the petitioner's request provided the work is done under City specifications and inspection.

We are in receipt of a Quit Claim Deed from the petitioner to the City of Detroit deeding land for an alley turn-around at the westerly end of the section of alley to remain open in the block bounded by Beaubien Street, Adams Avenue, St. Antoine Street, and Beacon Street. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer, and is attached hereto for your Honorable Body's acceptance.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation, or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
