Gentlemen—We are returning herewith Petition No. 7186 of Mrs. Ruby Robinson, et al, protesting the paving of east-west commercial alley in the block bounded by Heyden, Vaughan, Clarita, and West Seven Mile Road.

Your Honorable Body ordered this alley paved under the Forced Paving Clause of the City Charter. In view of our present policy to force pave all commercial alleys where and when found necessary, and in consideration of the decision of Your Honorable Body to extend the Special Assessment Bill to six installments extending over a five-year interval, and in view of the fact that the petition is a minority protest, it is our recommendation that the Protest Petition be denied and that the alley be paved.

Respectfully submitted,

Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report, petitioners requesting conversion into easements of the alleys described in the attached resolution.

The conversion of the alleys into easements was approved by the City Plan Commission at an earlier date.

We wish to advise that our investigations are completed. In reply to our inquiries, all City departments and privately owned utility companies reported that they have no objection to the conversion of the alleys into easements, provided that proper provisions are incorporated into the vacating resolution protecting their interest in the installations located in the alleys.

We recommend the adoption of the attached resolution.

Commissioner.
