Honorable Common Council:

Gentlemen—In response to published advertisements, eight bids were received on February 11, 1964, for the construction of the Karl Relief Sewer, Contract PW-4522. A tabulation of the bids is attached hereto.

The low bid submitted by Nelson M. Sharrow Excavating Co., Inc. is regular in all respects and in accordance with the requirements of the contract documents. It is therefore recommended that the contract be awarded to this firm in the amount of \$62,976.00.

Funds are available in Account 925-9233-923 to cover this amount.

Respectfully submitted,

S. G. GENTILE,

Deputy Commissioner.

Honorable Common Council:

Gentlemen—We are returning herewith the petition of Russell B. Dawson, No. 6468, requesting the vacation of a portion of the east-west public alley north of Seven Mile Road between Five Points Avenue and Grandview Avenue. The vacation of said portion of alley was approved by the City Plan Commission with the recommendation that sufficient land be dedicated for a new alley outlet into Seven Mile Road. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner

deposited with the City Treasurer, the sum of \$210, Receipt No. A-36217, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of relocating one wood pole and overhead street lighting unit from the alley to be vacated.

The petitioner also deposited with the City Treasurer, the sum of \$1,700, Receipt No. A-36219, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of rerouting Public Lighting Commission's Communications facilities from the alley to be vacated.

The petitioner paid into the City Treasury the sum of \$413.80, Receipt No. A-36218, credited to the Department of Public Maintenance Fund Code No. 143-6241, said amount being the original cost of paving the east one-half of Five Points Avenue at the intersection of the alley to be vacated.

The petitioner also deposited with the Permit Division of the Department of Public Works the sum of \$1,835, Receipt No. GR 10671, said amount being the estimated cost of relocating one fire hydrant, removing a paved alley return, constructing a new alley return, and stoning and grading the newly dedicated alley.

We are in receipt of a Quit Claim Deed from the petitioner to the City of Detroit deeding land for a new alley outlet into Seven Mile Road. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and is attached hereto for your Honorable Body's acceptance.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
